Car wash out of service, several elevators out of service, and some vehicle issues. I wouldn't give them a break on any of these issues at the review meeting.

4:37 p.m.

How did the inspectors do today?

4:38 p.m.

Waiting for the official report to come in. I know the team was stuck on a train for at least 30 mins this afternoon. So many deficiencies called in to the TOCC that Matt P told them to stop calling...

Michael...I submitted a request for management leave for this afternoon. I thought I had sent a request to you on Tuesday asking for this time off but now I have no records of any emails going out that day. In any case, Eric is set up to cover the TRRT meeting and I am available by phone if you app

If I can get to cover 4pm to 630pm on Wednesday and Thursday that would be appreciated. Please confirm if this works.

6:53 p.m.

I can cover 4 to 6.30pm on Wednesday but I have something planned for Thursday. I won't plan to come in for 7.00 tomorrow but I can still come for 7 on Wednesday..

Richard, I will go to the readiness review tonight. If you can cover tomorrow that should be sufficient for this week.

11:42 a.m.

On my email for the missions and Plan B, I need an answer before 4pm. John is concerned that RTG dumped this issue on us and has said publicly that we knew all along that a plan b was required.

7:28 a.m. Confirming final numbers with Robert Delage now..

9:44 a.m. As per Robert Delage email, City cost for Telus is \$2.6M.

Thanks. 10:46 a.m.

8:23 a.m. After yesterday's trouble shooting exercise I think any discussions regarding CBTC would be helped by having Glen McCurdy involved. Unfortunately, his name was dished yesterday .

I did hear the feedback. We need someone working at the same level as Jon Hulse. Glen is way too far into the weeds on some of this stuff. 8:28 a.m.

8:48 a.m. There is a Parsons exThales woman in Vancouver that is more senior than Glen? Did you have someone in mind?

2:23 p.m. Sergio is committed to providing final approved safety audit by 6.00pm latest today. ORD has just been received..

Okay. Thanks. 2:25 p.m.
