Dear Mr. Van Loon,

***Re: Submission Concerning Public Hearing Numbers 7 and 8***

---

Please be advised that the Canadian Environmental Law Association is asking to present at Public Hearings No. 7 & 8.

In previous discussions with you, it was suggested that there would be a joint time with OPSEU, CUPE and CELA and then CELA would be allotted its own time. This arrangement is satisfactory for us.

In the timeslot for the three organizations, Gary Scandlan, from C.N. Watson and Associates, will be making a brief presentation on behalf of those organizations.

In addition to myself, John Jackson and Sarah Miller will be appearing for CELA.

We will be presenting recommendations from the report: *Water Services in Ontario: For the Public, By the Public.*

Please do not hesitate to contact me should you have any questions.

Yours truly,

**CANADIAN ENVIRONMENTAL LAW ASSOCIATION**

Paul Muldoon  
Executive Director and Counsel
