

List of Presenters for North Bay Town Hall Meeting

Presenter

Title

Description

Afternoon Session – 1:00 p.m. to 5:00 p.m.

Opening Remarks – Dennis R. O'Connor, Commissioner		
Mayor Jack Burrows	City of North Bay	North Bay views safe communal water supplies as an issue that crosses jurisdictional boundaries; it is evident that there will be operational issues as well as capital expenditures that will have a substantive financial impact on communities.
Dr. Catherine Whiting	Medical Officer of Health	Challenges to Public Health in North Bay and District.
Mr. Mike L. Wilton	Director, Algonquin Eco Watch	The protection of headwaters in the Algonquin Ecosystem.
Mr. John A. Gore	Retired Plumber	The effect of the presence of septic systems having access to an unlimited water supply.
Mr. Arnold R. Cline	President, Four Seasons Centre	The impact of the MTO Winter Road Maintenance Program on water producing wells in the proximity of provincial highways, particularly as it pertains to the Four Seasons Centre and the North Bay district.
	Nipissing Watch	Enviro-Med Biomedical Waste Facility and the Trout Lake Watershed.
Break		
Mr. Klaus Wand	Beef Farmer	Concerns about the growth of the cottage industry, the spread of road salt and sound farming practices.
Mr. Michael A. Puccini	Director, Near North Laboratories	Microbiological standards and its implementation, the lack of direction in sampling protocols for drinking water,
